Description

We are offering a light, cozy one-bedroom apartment for sale in the new unique **IRIS** apartment complex, located in secure fenced area in Shampeteris - a scenic and ecologically green district of Riga. Shampeteris is a district that connects Riga city centre, the capital of Latvia, to one of the country's most beautiful resorts - Jurmala.

The apartment offers:

- a living room with a connecting dining room and kitchen with access to a terrace;
- a large bathroom with bath;
- one separate bedrooms, which is a master bedroom with a spacious dressing room.

The modern, spacious, and functional layout makes this apartment an excellent choice. The panoramic windows and the patio not only add additional natural light, but also make the apartment feel larger and airier.

The apartment is sold fully-finished with only best materials that include: flooring, radiators, Ideal Standard bathroom fixtures and tiles, doors, plinths and sockets.

The project provides for ground parking

The project is supported by bank financing, including the **ALTUM** program.

IRIS Shampeteris Apartments connects people with similar interests, outlook on life, and appreciation of a superior level of comfort.

Full information about the project and its benefits, infrastructure and landscape can be found [here](#).

The layout of the apartment can be viewed on the floor plan in the pdf document below. **Apartment Number 11.**

Please contact us for more detailed information and to arrange a viewing.
