Description

Land plot 5.8 ha for sale in a scenic place near Božu water reservoir across the village Dzilnuciems, Babite district. The property is located in just 25 min drive from Riga center and 20 min drive from Jurmala center.

The property consists of a land plot 4.7 ha, an island 800 m² and water reservoir in between.

At the moment only not fundamental properties are allowed to be put on the land, however, Babite municipality is planning to divide the land plot into smaller ones with possibility to build private houses.
