Description

Modern apartment is offered for rent!

The apartment is located on Lāčplēša street, in the very central area of Riga. The building is historical, but in very good condition as it is recently renovated. There is a modern elevator in the building.

Tastefully designed apartment is warm and sunny. It consists of a separate bedroom, a bathroom and a spacious open-plan living room that is combined with kitchen. The kitchen is built-in and is equipped with all necessary appliances: dishwasher, electric hob, extractor fan, refrigerator with freezer, water filter and microwave. The bathroom has controlled underfloor heating and a washing machine.

The apartment is located next to the New Riga's theatre. There are many parks and restaurants in the neighbourhood. You can easily get to any point in Riga from this location - plenty of public transport stops nearby. The area is easily accessed on foot and using personal auto. In the closed yard of the building you can securely park your bicycle.

Utilities are around 110 Eur in the summer and 190 Eur in the winter.

The rent amount does not include VAT, security deposit and utility bills.
