Description

Exclusive, sophisticated, modern house near the sea and white sand beach. Modern architecture with an ideal layout and huge windows, the garden is beautifully landscaped and has lighting installments, absolutely all city communications, and gas heating. Only high-quality materials are used in interior design. The building will be brought into service in the summer of 2022.

The building has a practical layout with four bedrooms, four bathrooms, two wardrobes, spacious living room combined with a kitchen and dining area, and a cabinet on the first floor.
