Description

Spread out on the coast of the Gulf of Riga, the beautiful Jurmala is a real resort gem of the Baltics. Its beaches are clean and wide, its air is fresh and saturated with needles, its architectural appearance is pleasing to the eye with its small private cottages and old summer cottages of the Soviet period.

We offer a spacious, modern apartment in a new project on Jomas street, Majori. Jurmala beach is literally a 5-minute walk away. Convenient geographical location (15 km to the international airport and 25 km to Riga). Also within walking distance are grocery stores, pharmacies, cafes, restaurants. The project has a protected area, parking. Nearby is a playground.

The apartment has a convenient layout: the living room is combined with the kitchen, the master bedroom is separated from the children's room by a partition (it is possible to convert it into an office), 2 bathrooms, one of which has a shower. There is also a spacious, covered terrace where you can spend wonderful warm summer evenings.
