Description

We offer to purchase the exclusive real estate in Riga, in the Old Town on Gleznnotaju street. The historical part of the city, in which the main attractions of the city, as well as the best shops and restaurants are concentrated .

Reconstruction of 5 floors of the house was completed in the second half of 2013. The total area of the house 588,5m2.

On the ground floor there is a meeting room for the guests and office. Take the elevator to the second floor and you can get to the spacious living room with a bedroom and its own bathroom. The third floor has also a private bedroom with a spacious private bathroom. On the fourth floor there is SPA area and kitchen, and on the top floor there is a small room for staff.

The main idea of this project was a connection of history and modern technology. The best materials and products from leading manufacturers were used. The interior design of the house and presented by ABB, KONE, Daikin, Swarovski, Schonbek, Bang & Olufsen, TOTO, Lineatre, Metos, Maletti, Angelo Cappellini and others.
